SW 2nd Avenue will be closed for street reconstruction from August 31st to September 10, 2022.

The City of Mill City has received a grant from ODOT to reconstruct SW 2nd Avenue (Broadway to Evergreen) in Mill City. Work on the project will begin on Wednesday, August 31st. Paving will be completed by September 10th.

SW 2nd Avenue next to the High School gym (SW Cedar St. to SW Evergreen Street) will be closed to through traffic. The contractor will provide access to the HS gym parking lots when possible. SW 2nd Avenue (Cedar St. north to Broadway) will be

closed during grinding and repaving operations. The entire street will be reopened as soon as final paving is completed.

The City of Mill City apologizes for the inconveniences this will cause during the first week of school. When completed, the new HS gym parking lot, new sidewalks and 2nd Avenue repaving project will make parking and access to school facilities safer and more convenient for students, patrons and visitors.

If you have questions about the SW 2nd Ave. paving project, please contact City Hall at (503) 897-2302.

### SCHOOL IS BACK IN SESSION – WATCH FOR CHILDREN!

September 6th is the first day of the 2022/23 school year. This means children will be walking to and from school each day.

The excitement of a new school year or even weariness from the long day of studies and after school activities can compound a child's natural lack of awareness. For their safety

and yours, as you are driving, be vigilant about watching for children.

Be aware of crosswalks and remember to STOP! The safety of our children is very important.

Make it a priority to keep our kids safe and sound this school year.

### DOG DAZE IS OVER – HAVE YOU PICKED UP YOUR SIGNS?

Now that Dog Daze is over and you've cleared out all of those unneeded items from your home, make sure you round up your yard sale signs, too! This helps to keep our community clean and litter free.

## HOW TO REPORT A STREETLIGHT OUTAGE / ISSUE

It's that time of year again when days are shorter and we notice dark areas easier. Reporting a street light outage is simple! All it takes is a quick phone call, or if you don't mind logging onto the computer, a short online form.

To report a streetlight that is either out or is not working properly you will need the following information:

Nearest address

Nearest cross-street

The six-digit pole number from the pole plate

What the issue is — e.g. light out; light cycles on/off

Once you have this information you can call:

Pacific Power at 1-888-221-7070 or; City Hall at 503-897-2302.

We appreciate the community's assistance in identifying street light issues and are happy to turn these into Pacific Power upon notification of an issue. However, if you prefer, you can also turn them in to Pacific Power via their quick online form!

Simply visit:

<https://csapps.pacificpower.net/public/outages-safety/report-streetlight-out>

The online form is a quick and easy way to report any outage or maintenance issue and to ensure that you have an avenue to request updates on the status as Pacific Power will provide you with a tracking number upon completion of the process.

## IS YOUR DOG ON LEASH?

Can you answer that with a definitive, "always"? If not, and you are outside of your own property, you are in violation of Mill City's Regulation of Dogs Ordinance.

Violations of this code are punishable by a fine of up to \$250.00 per instance for a dog running at large and up to \$500 for a dog allowed to become a public nuisance, per Mill City Ordinance No. 391.

Did you know dog feces left to disintegrate cause bacteria to leach into the ground and contaminate our waterways? Always remember to carry doggie doo bags and clean up after you pet.

Be responsible with your dog(s);

- √ License
- √ Leash
- √ Clean up feces

### PSILOCYBIN TO BE ON BALLOT FOR MILL CITY ELECTORS

The Mill City City Council has placed the question of Psilocybin within the City of Mill City on the November 8, 2022 ballot. The question will read:

**CAPTION:** Prohibits psilocybin-related businesses within the City of Mill City.

**QUESTION:** Shall the City of Mill City prohibit psilocybin service centers, the

manufacture of psilocybin products and testing in Mill City?

**STATEMENT:** State law allows operation, manufacturer, distribution and possession of psilocybin and psilocin. State law provides that a city council may adopt an ordinance to be referred to the voters to prohibit the

establishment of any of those registered or licensed activities.

Approval of this measure would prohibit the establishment of psilocybin service centers, the manufacture of psilocybin products and testing within Mill City's jurisdictional boundaries.
